## Message From Principal

### Dear Parents and Guardians,

The start of a new term brings with it fresh beginnings, renewed energy, and the promise of growth. As we welcome Term 1 for our CBE learners and Term 2 for our Cambridge (CI) learners, I extend a heartfelt welcome to our new families and sincere appreciation to our returning parents for your continued trust.

Our learners have settled into their classes with confidence and enthusiasm. Classrooms are alive with curiosity, friendships are forming, and learning is already taking meaningful shape as we continue to nurture excellence in spirit, wisdom, and grace.

It is a great honor to serve as the new Head of School, and I am truly excited to walk this journey of learning, growth, and excellence with you and your children.

As we welcome the New term, we thank God for His faithfulness to the Rose of Sharon Academy community. We look forward with hope and purpose, trusting Him to guide our students, families, and staff in spirit, wisdom, growth, and grace.

**May this term be filled with God's blessings, renewed strength, and a deepened commitment to Learning, unlearning and relearning.**

Warm regards,

**Emily Ifedha**

Principal, Rose of Sharon Academy

## Parents' Mentorship

### Cambridge & CBE Curriculum

Our Parents' Mentorship Programme officially kicked off this week, bringing together parents for a focused planning, orientation, and theme-setting session for the term. This initiative supports both the CBE and Cambridge (CI) Curriculum

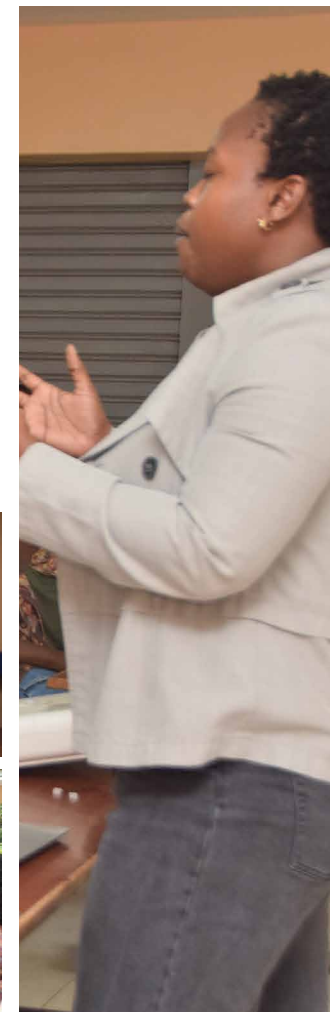

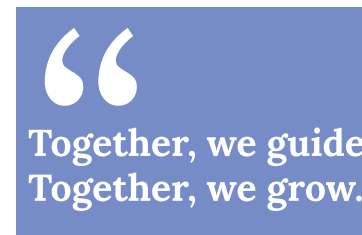

In line with our mission to nurture academically excellent and values-driven learners, we invite parents to volunteer as mentors. By sharing your time, skills, and life experiences, you play a vital role in shaping learners who are confident, grounded, and guided by strong character.

This term's mentorship sessions will focus on:

- Listening with care
- Speaking with impact
- Non-verbal communication
- Building meaningful conversations

Parents interested in volunteering are kindly requested to contact

Our Year 11 learners have begun focused mentorship sessions to prepare them for their final exams and future pathways. The programme builds academic discipline, confidence, resilience, career awareness, and emotional readiness. We are proud to walk alongside them during this important stage of their journey.
